

JDC Compact Eco Pumper CEP75-1000-1

Compact dimensions for confined spaces

Overview: The Compact Pumper has been designed and built with both cost and weight in mind. It features a spacious fixed crew cab with seating for 3 crew, unlike the standard factory cab it has conventional breathing apparatus stowage and safe storage for PPE and other equipment. A single stage lightweight water pump for effective fire fighting driven by the gearbox power take off is fitted. The body/crew cab assembly is manufactured from the latest PolyBilt Lite material, whilst being around 20% lighter it retains its impact resistance and 100% re-cyclability. This concept provides a usable payload of over 3000Kg for water, crew and equipment.

Price: £99,995.00 + vat

Chassis: Mitsubishi Canter 7C18D 4x2

Engine: 4 Cylinder Turbo Diesel
129Kw at 3500rpm
430Nm at 1600rpm

Gearbox: 6 Speed Manual

Weights: Gross: 7500kg
Front axle: 3100kg
Rear axle: 5200kg

Payload: Gross: 3060Kg
Front axle: 1040kg
Rear axle: 2820kg

Overall Dimensions: Wheelbase: 3350mm
Length: 6300mm
Width: 2100mm
Height: 2550mm

Cabin: Front: Driver + 1 or 2 Passengers
Rear: 3 Crew with BA Stowage
Safe Storage for PPE and other equipment

Power Take Off: Gearbox mounted
147Nm
1.412:1 Drive Ratio

Water Pump: Mid Mounted Darley Single Stage 2.5AGP Aluminium Pump
2 x Low Pressure Deliveries at 1200 litres per minute at 10 bar pump pressure or
1 x High Pressure Hosereel at 220 litres per minute at 18 bar pump pressure

Hosereel : Manual rewind with 55 metres of 3/4" bore first aid hose

Water Tank: 1000 litre capacity integral in PolyBilt body
LED Contents Gauge

Body: **NEW PolyBilt Lite**
100% recyclable
High Impact Resistance
Long equipment "through" locker
Roller Shutters and Hinged Header Board
Over Tank Tunnel for Ladder & Suction Hose
High Visibility Markings

Electrical Equipment: Lightbar LED
Siren/Wailer System
Front Blue LED Warning Lights
Intersection LED Warning Lights
Rear Blue LED Warning Lights
Rear Red LED Warning Lights
LED Scenelights
Rear LED Lights
High Level LED Stop Tail Repeaters
LED Locker Lighting
